

Preface	vii
Introduction	1
Definition of mountains and area covered	3
NORTHERN MOUNTAINS	5
Norway	
<i>An overview of Norwegian summer farming</i>	
I. Austad, A. Norderhaug, L. Hauge & A. Moen	7
<i>The mountain summer farm landscape of Innfjorden, Western Norway</i>	
A. Bryn	19
<i>Summer farming in Jotunheimen, Central Norway</i>	
E.G.A. Olsson	25
<i>Diversity of macrofungi in seminatural grasslands of the subalpine summerfarm landscape around Dovre, Southern Norway</i>	
J.B. Jordal	31
<i>Contribution to the prehistory of the use of summer farms in Southern Norway</i>	
D. Moe	35
<i>Outlying boreal haylands in Central Norway</i>	
A. Moen, D.-I. Oien & L.S. Nilsen	39
<i>Island summer farming at Kalvøya, Central Norway</i>	
L.S. Nilsen & A. Moen	43
<i>Transhumance in the Stolsheinen mountain area, Western Norway</i>	
K. Potthoff & S. Eiter	47
<i>The outfarm landscapes of the Upper Setesdal Valley - history, vegetation and red listed species</i>	
E. Svalheim	57
<i>Summer farming in Vangroftdalen, Os, Denmark</i>	
V. Vandvik	61
<i>Summer farming in Roldal, Western Norway</i>	
V. Vandvik	65
United Kingdom	
<i>Transhumance in the British Isles – decline or transformation?</i>	
D.G.L. Jones & I.Ll. Wmffre, ..	69
ALPS AND CARPATHIAN MOUNTAINS	91

Austria	
<i>History and current state of transhumance in the Austrian Alps</i>	
T. Wrbka, J. Peterseil, J. & I. Schmitzberger.....	93
France	
<i>Transhumant sheep systems of South-eastern France, with special reference to long-distance transhumance from the plain of the Crau to the Alps</i>	
A. Wolff & P. Fabre	113
<i>Some considerations in the implementation of agri-environmental schemes</i>	
F. Véron	133
Germany	
<i>Transhumance in Germany</i>	
R. Luick	137
Romania	
<i>Romanian transhumance – the past, the present and future scenarios</i>	
A. Mertens & S. Huband	155
Poland	
<i>Traditional pastoralism and Biodiversity in the Western and the Eastern Carpathians</i>	
W. Mróz & A. Olszańska	171
Slovakia	
<i>Transhumance in Slovakia</i>	
L. Gonda, V. Krajčovič, I. Ilavská, D. Šúr, B. Valihora, J. Golecký, M. Zimková & M. Kizeková	183
Switzerland	
<i>Alpine summer farms in Switzerland</i>	
S. Dreier, M. Ramsauer & F. Herzog.....	191
MEDITERRANEAN MOUNTAINS	209
Greece	
<i>Transhumance in Greece: past, present and future prospects</i>	
I. Ispikoudis, M. K. Sioliou & V.P. Papanastasis.....	211
Italy	
<i>Transhumance in the Italian Alps and Apennines (abstract only)</i>	
P. Susmel, C. Fabro & S. Filacorda.....	231
Spain	
<i>The Present status and ecological consequences of transhumance in Spain</i>	
A. Gómez Sal & I. Lorente	233
<i>The national network of transhumance routes in the Kingdom of Spain</i>	
J. M. Casas	249
<i>The history and characteristics of the Mesteña Transhumance Routes</i>	
P. García Martín.....	255

<i>Recovering transhumance in Spain for long-term nature conservation</i> J. Garzón-Heydt.....	259
<i>Recovery of the national network of transhumance routes: the programme of the Ministry of the Environment</i> J. M. Mangas Navas	265
<i>The integration of drove roads into regional planning: the example of Andalusia, Southern Spain</i> I. Ortiz Borrego.....	271
<i>The stock raising culture of transhumant herders</i> M. Rodríguez Pascual	277
Portugal	
<i>Portugal's transhumance legacy: an ecological approach (abstract only)</i> J. Castro & F. Matos	283
Application of the DPSIR (Driving forces, Pressures, State, Impact, Response) framework for the identification of the habitats depending upon transhumance R.G.H. Bunce, M. Pérez-Soba & G. Beaufoy.....	285
Conclusions from the Policy Review	303
F. Herzog & R.G.H. Bunce with comments from participants of the Policy Workshop	
Transhumance in Pictures	307
Various authors
